HOW IT WORKS

Connecting travelers and hosts.

Traveler

Maddy Baba

Host

For travelers

- 1 Discover affordable stays and experiences with trusted local recommendations.
- 2 Book everything — tickets, stays, activities — through one host, with transparent pricing.
- 3 Travel with someone who knows the place, and get AI-powered picks for your next trip.

For hosts

- 1 Sign up free — no property, no upfront investment.
- 2 Partner with hotels, resorts and activity providers near you.
- 3 Share your link, get bookings, and receive instant commission payouts.

AI RECOMMENDATIONS

Trips that fit your moment.

Maddybaba suggests hosts, places and activities based on five things — and you choose which ones it uses.

- Your past travel** — more of what you loved
- Weather** — places that are at their best right now
- Current location** — hosts and getaways near you
- Month & season** — paragliding, trek and beach seasons
- Upcoming public holidays** — long weekends, planned early

For you

WHY MADDYBABA

Other apps do one piece of the trip.

Maddybaba covers stays, tickets and adventures — and it's the only one where locals can earn without owning anything.

BECOME A HOST

Anyone can host. Whatever you can offer.

Start hosting — it's free →

Partner host

Team up with hotels and resorts and sell their rooms as a micro travel agent. You never need to own the property.

Local guide

Nothing to list? Your knowledge is enough. Show travelers your town and earn on every trip you guide.

Experience provider

Paragliding, scuba diving, art classes, city tours — reach travelers directly instead of paying heavy OTA commissions.

Super Host

A premium plan for top hosts: early access to new partners and higher commission rates.

CUSTOM TOUR PACKAGES

One booking. Everything included.

Pick your flight, stay, activities and a local guide. Your host puts it together, and you see exactly what each part costs.
